Supporting Evidence: Mr. Yallup is alleged to have violated his supervised release conditions by consuming alcohol on or before October 26, 2023.

While conducting a home inspection at Mr. Yallup's residence, this officer conducted a urinalysis (UA). Before conducting the UA, this officer asked Mr. Yallup if the UA would be clean, including alcohol. Mr. Yallup said the UA would be clean. The UA was presumptive negative for tested controlled substances. The UA was sent to the lab to be tested for alcohol. This officer explained to Mr. Yallup that he would be notified of the result of the UA. Mr. Yallup voiced his understanding.

On November 4, 2023, the UA returned from the lab positive for alcohol. This officer contacted Mr. Yallup and informed him of the positive UA for alcohol. This officer asked Mr. Yallup how often he was consuming alcohol. Mr. Yallup said a few beers during the weekend and occasionally during the week.

U.S. Probation Officer Action:

It has been made clear to Mr. Yallup that his behavior was unacceptable and he was in violation of his supervised release conditions for consuming alcohol. This officer used corrective action to address Mr. Yallup's behavior. Mr. Yallup remains in compliance with sex offender treatment sessions through Ken Schafer and Associates. This officer

Re: Yallup, Michael Moses**November 28, 2023****Page 2**

verified that Mr. Yallup had reported the latest relapse to Mr. Schafer, and they are addressing the triggers that led to the relapse through treatment.

On November 17, 2023, this officer conducted a home inspection at Mr. Yallup's residence and collected a UA. The UA was presumptive negative for tested controlled substances. The UA was sent to the lab to be tested for alcohol. Mr. Yallup said he was remaining clean and sober, so he is confident the UA will return clean.

On November 22, 2023, the UA returned from the lab negative for alcohol. This officer contacted Mr. Yallup and informed him of the negative UA for alcohol. Mr. Yallup said he believes meeting with Mr. Schafer twice a week instead of once a week is helping him remain clean and sober. This officer believes the structure and accountability of sex offender treatment will assist Mr. Yallup in living a clean and sober lifestyle in the community, including increased UAs.

Based on the above-noted information, this officer recommends no action be taken to afford Mr. Yallup to remain engaged in sex offender treatment.

I declare under penalty of perjury that the foregoing is true and correct.
